## Report on NEP 2020 based Curriculum at Undergraduate Level of University of Calcutta

by

Dr. Teesta Dey, Assistant Professor and Head, Department of Geography, Kidderpore College

The IQAC of Kidderpore College has organised a seminar on NEP 2020 based Curriculum at Undergraduate Level of University of Calcutta on 27<sup>th</sup> June, 2023 at 1:30 pm in Room No. 9. The lecture was delivered by Dr. Teesta Dey, Assistant Professor of Geography. It was attended by almost 40 faculties. Dr. Dey has specifically talked about various courses offered by the University of Calcutta, the course structures, curriculum based subject combinations and their credit frameworks with proper examples. She has explained the detailed course structure through PowerPoint presentation and the entire material was shared among the teachers for their better understanding of the new system. Illustrations about the subject combination pattern specifically for Honours and Multi-disciplinary courses helped a lot to the faculties and helped them to prepare their departmental course structure. A thorough interactive session after the presentation cleared all the related doubts and ultimately brought a success to this programme.

## HEPSN Programme on "Marginalized People: Social Inclusion and Rights" dated 12<sup>th</sup> May, 2023

Mrs Mallika Das, Programme Coordinator, KSEDA while speaking on the issue of Social Inclusion of Marginalized People stated that in order to prepare a full proof strategy for the upliftment of the Marginalized people in general and the disabled in particular, it is necessary to have exact data on the number of disabled people in India. As definitions have changed over the years and a very skeptical attitude reflected by the responders, the people of disabled in India has been reported at an abysmal low as compared to many developed nations. The work for inclusion of disabled in the mainstream has suffered immensely due to the lack of data.

However, a lot of work has still been done on the institutional front. She informed the students regarding various acts, the PWD Act (1995), National Trust Act (1999), undertaken by the Government so far towards inclusion of the disabled in the mainstream and higher education.

She emphasized on the importance of barrier free, bright classrooms with wheelchair accessibility for inclusion of students with disabilities.

In her presentation, Mrs Das was assisted by Ms Anindita Mandal, Primary School Teacher, Barisha Uchha Balika Vidyalaya and parent member of KSEDA and Anuradha Mandal, a class eight student of Barisha Janakalyan Vidyapeeth, a special child with restricted vision. Anindita Mandal demonstrated with Anuradha Mandal how an inclusive classroom should be and how should the teacher deal with special students and slow learners. She was also interacting with student participants of our college to build a peer group for mentoring and protecting special students.

Anindita on her speech highlighted on the inclusive environment her school and her peers have created for her. As a person with limited vision, she stressed that her teachers and peers in school have created the right environment for her to sustain and flourish.

**On July 5th and 6th 2022, the second Two-day National Seminar in Collaboration with West Bengal Urdu Academy, titled "Urdu Research and Criticism: Problems and Prospects" of the Department of Urdu, Kidderpore College, Kolkata, was held with great pomp and ceremony**

The Department of Urdu Kidderpore College organised Two-day National Seminar with Collaboration of West Bengal Urdu Academy, under the guidance of Dr. Syed Ali Irfan Naqvi (Head, Department of Urdu) titled "Urdu Research and Criticism: Problems and Prospects" at Indian Medical Association, 4th Floor, 11/3 Braish Guha Street, Kolkata-17.

All the teachers of the college and other

dignitaries were also present on this occasion. The seminar was presided over by the famous and unique critic writer of the city Mr. Zaheer Anwar, while Dr. Abubakar Jilani( Ex- Senior Professor, Kpc)was the Chief-guest and the whole program was conducted by Dr. Shamshir Alam (HOD Urdu, TDB College, Raniganj).

After that, Dr. Syed Ali Irfan Naqvi gave a welcome speech and presented a gift of gratitude to all the participants of the seminar and the students.

Hon'ble Principal Dr. Abhijit Ganguly in his opening speech (English) highlighted the activities of Urdu department and expressed his love for Urdu language and literature. In the end, he also entertained everyone in the hall by singing Ghazal on the request of the audience and the distinguished Guests.

At the beginning of the ceremony, Dr. Dabir Ahmed( HOD, Urdu, Maulana Azad College) said that we people think of ourselves as researchers and critics by writing several articles, whereas this is not true because Farooqui, Narang, Arzoo, etc. have edited various genres of Urdu for 40 and 50 years. Then he was called researcher and critic. President of Urdu Department, Lucknow University, Dr. Abbas Raza Nayyar also joined.

Now the outsiders are also trying to understand the researchers and critics here, but I will say this to Irfan Naqvi that this two-day seminar will not sufficient for this topic, for that a separate 5-day workshop should be held and the Critics should be openly discussed. Artists and artworks should be understood. Dr. Jilani also spoke about the

situation of research and criticism in West Bengal. Dr. Mirza Shafiq Hussain Shafiq, who belongs to the city of Lucknow, while presenting his insightful and comprehensive keynote speech on this occasion, said that "disagreement" does not start with words, but with meanings. Criticism starts from where the difference of meaning begins. Then Mr. Shafaq further says that "O my people of Bengal! If you are ignored by people of other state, don't be sad because the tradition of ignoring is very old. Mohammad Hussain Azad also did not mention the famous Urdu poet Momin Khan Momin in his book "Aab-e-Hayat". Those who have not raised the pen against those who deserve it, have harmed themselves and not others."

After that Mr. Zaheer Anwar while presenting his presidential speech said that "Research is heart-burning work. 'The light of the eyes has to be burned.' Justice has to be done to the subject." After that, he further says that "When the mistakes were pointed out in the obituaries, criticism began to flourish. If nothing is being written about the people of Bengal, I am not worried that there are some people herewhom people from other states will be forced to write about. That time. It is not far that all the eyes of the people will start falling towards you, but they are starting to fall."

Apart from this, Dr. Diba Hashmi, Senior faculty of Urdu Department Dr. Swati Pal ,IQAC coordinator, and Dr. Tanika Bhattacharya, convenor, Seminar committee also expressed their views in this opening ceremony. At the end of the meeting, Inamur Rehman thanked all the guests of honor. The first session of the seminar started at 12 noon under the chairmanship of Zaheer Anwar. Dr. Irfan Naqvi has performed the administrative duties. The first paper of this session was presented by Dr. Arshia Iqbal (Guest Lecturer, Milli Amin College, Kolkata). The title of his paper was: "Research and Criticism in Murshidabad: Problems and Prospects". And the second paper was by Dr. Rehan Hasan (Head of Department of Urdu and Persian, Guru Nanak Dev University, Amritsar, Punjab). His paper was titled: "Contemporary Landscape of Urdu Research in West Bengal" while the third paper was by Maqsood Danish who titled his paper "An Overview of Fiction Criticism in West Bengal after Independence".

At the end of the first session, Mr. Zaheer Anwar advised Dr. Arshia Iqbal to avoid mentioning himself in his paper, while commenting on Dr. Rehan Hassan's paper, he said that if only two or four people were looked at. The article would have been more useful. After that, he expressed his views on the thesis of Maqsood Danish and said that Maqsood Danish should take care of ethics and some sentences related to Abu Zarhashmi have been made in such a way that they are against ethics. The first session of the seminar ended with a vote of thanks by Dr. Itu Singh (Department of Hindi).

Immediately after lunch, the second session started at 4 pm.

The session was presided over by Dr. Abubakar Jilani, while the administrative duties were performed by Dr. Rehan Hassan. The first paper in this session was by Dr. Nuzhat Zahra (HOD, Urdu Department, Surendranath College for Women) who presented her paper titled "Few Eminent Researchers and Critics of West Bengal after Independence". While the HOD of Urdu Department, TDB College, Raniganj, Dr. Shamsheer Alam delivered his paper entitled "A Few New and Old Researchers". And Mr. Zaheer Anwar presented "Urdu Criticism in Post-Independence West Bengal: With References to Some Credible Critics". President of the meeting, Dr. Abubakar Jilani, expressed his views on all the articles. Ms. Razia Sultana thanked all the people.

The third session of the seminar started on 6 July 22 at 12 noon under the chairmanship of Dr. Rehan Hasan and moderated by Dr. Irfan Naqvi. Bouquets, mementos and shawls were presented to the the writers. In the third session, Dr. Masood Ahmed presented his paper entitled "Part of Women in Urdu Research and Criticism". Dr. Derakhshan Zareen delivered a paper entitled "Research and critical works of Dr. Abubakar Jilani in the contemporary era". While Sabiha Tazeen presented "Urdu Criticism in Post-Independence West Bengal" and Razia Sultana presented "Some Important Researchers of Post-Independence West Bengal" as well as Abbas Raza Nayyar's Mehjri Adib of West Bengal: Shahzad Manzar and Haralt Calcuttavi.

Since the time was over, the papers of the fourth session were also read in this session. In the end, Mr. Ashraf Ahmad Jafri made the closing session enjoyable by reading his paper titled "Situation of Urdu Literary Research in West Bengal."

At the end of the session of the second and last day, Abbas Raza Alias Nir Jalalpuri won the hearts of the audience with his varied speech on the continuous request of the audience. A few lines from his poem are quoted:

*They quench the thirst of the thirsty world  
At the feet of those who are thirsty, Zam Zam lives*

## Kidderpore College Women's Forum organises International Webinar on the Theme: Women's Empowerment and the Present Generation

On 18.09.2020 Kidderpore College Women's Forum organised an International Webinar on the theme "Women's Empowerment and The Present Generation". Every year on the 8<sup>th</sup> of March the Women's Forum organises a host of programmes to mark the International Women's Day. But this year due to the outbreak of the Covid Pandemic and the sudden announcement of nationwide lockdown by the Government of India the Women's Forum could not organise any such programme. Nevertheless the Forum organised the Webinar as a mark of respect towards the women folk all over the world.

Two eminent speakers were invited as Resource Persons in the Webinar. The first speaker was Prof. Umme Farhana, Assistant Professor, Department of English, Jatiyo Kabi Kazi Nazrul Islam University, Mymensingh, Bangladesh. Prof. Umme Farhana with her special interest in the areas of Feminism, Cultural Studies, Media studies and Post Colonialism delivered a mind blowing presentation on the problems faced by the Women folk in Bangladesh while asserting their rights and liberties and at the same time rightly pointed out the grim reality that while discussing and debating on the issues of proper code of conduct for women the policy makers of Bangladesh leave out the actual causes of exploitation of women and devise policies to enable them gain their rights and freedoms.

The second speaker was eminent novelist and writer Joya Mitra. She emphasised on the issue of power hunger as the prime cause for all forms of exploitation and the lack of emancipation of not only the women folk but of all men in this age of globalisation and consumerism. ## Report (Dept. of Philosophy)

The Department of Philosophy, Kidderpore College organized an extension lecture program on 10/5/ 2019 on MIND BODY PROBLEM. Dr Lalita Agrawal Associate Professor of Philosophy, Gokhale Memorial Girls' College was the speaker. The session was presided by our respected Principal Sir Dr Avijit Ganguly and the vote of thanks was given by Prof Tanika Bhattacharya, HOD of the department of Philosophy. The theme of the lecture is as follows:-

The mind-body connection has a relationship to our health: Perhaps this is why more and more people are gravitating towards alternative forms of medicine. As Garth Cook from Scientific American points out: A growing body of scientific research suggests that our mind can play an important role in healing our body — or in staying healthy in the first place. There are now several lines of research suggesting that our mental perception of the world constantly informs and guides our immune system in a way that makes us better able to respond to future threats.

The interaction of our thoughts with the physical material world is of huge interest today, garnering increasing attention by academics around the world. Despite a wealth of scientific data showing that one can influence the other, and even more evidence proving that certain emotional states can lead to chronic illness, many who work in mainstream medicine remain entirely ignorant of these concepts.

A total of 25 participants attended the extension lecture.

The lecture delivered by Dr. Mijanur Rahaman, Assistant Professor, Department of Bengali, Kidderpore College, introduced the students to the various aspects of Sufism in Bengali literature, while the interactive session tired to answer the many doubts and queries posed by the students pertaining to Sufism in Bengali literature.

The workshop was inaugurated by the august presence of the honourable principal of our college, Dr. Avijit Ganguly. Dr. Ganguly also kindly accorded to chair the lecture delivered by Dr. Rahaman. During the lecture, Dr. Rahaman spoke on Sufism being a precursor to the Bhakti cult during the middle ages of Indian history. Dr. Rahaman emphasised that to be a true Sufi, one needed to sacrifice worldly concerns, and wholly devote oneself to the Lord. He also went on to mention, that Sufism had cast a marked impact on Bengali literature, by closely referring to Rabindranath Tagore's novel, *Gora*. More than 20 members, including students and faculties, participated in this workshop.

## Kidderpore College Women's Forum

### "Communal Harmony" held on 6.12.2018

The Women's Forum of Kidderpore College in close partnership with the NGO SWAYAM had organized a program on 6<sup>th</sup> December, 2018, to emphasize the inescapable need of observing, and maintaining communal harmony. The program was graced by the kind presence of Madam Seem and Rahul, who represented the NGO SWAYAM.

Madam Seem emphasized on the importance of raising awareness among the students regarding how to maintain harmony among the different communities in the interest of preserving the ethos of pluralism, which is sacrosanct in the Indian society. On the other hand, Mr. Rahul spoke of the deplorable reality of communal riots. His talk strongly advocated the protection of women and girl children, during the worst scenario of a communal riot. The students responded with great fervour and enthusiasm to both the talks.

In the second half of the program, the students were further acquainted with the grim and brutish reality of communal riots, through the showcasing of a documentary film on the topic of "Communal Harmony", followed by an interactive session between the members of the NGO SWAYAM and the students of Kidderpore College.
