Mega Job Fair & Placement Drive

UDDIPAN
Learn Achieve Grow

Invitation

With the growing emphasis on employability and industry-aligned education, institutions today are focusing on bridging the gap between academic learning and job readiness. Preparing students with relevant skills, internships, and practical exposure has become essential to ensure meaningful career outcomes.

UDDIPAN, in collaboration with AICTE and THK Jain College, Kolkata, is organising a Placement Drive & Career Fair. The fair will focus on **employment opportunities, internships, industry-required skills, and the role of NEP 2020 in enabling outcome-driven education.**

We invite you to join us for an engaging day of employment of best talents, insightful discussions and networking, focused on improving student employability through structured skill development and industry integration.

We look forward to your presence.
